JUNIOR LIVESTOCK AUCTION RULES

**Saturday, September 12, 2009,
12:30 PM**

LIMIT: Each exhibitor will be limited to the sale of one animal in the livestock sale with the exception of the exhibitor(s) who has one or more Grand Champion or Reserve Grand Champion. All Grand and Reserve Grand Champions must sell. An exhibitor may also sell 1 rabbit pen or 1 avian pen in the small animal sale.

SELLING: Exhibitors of all species shall exhibit their own animals in the sales ring at the time of sale. No exceptions will be made except in extreme emergency. Exceptions must be requested in writing to the Livestock Superintendent. The responsibility for market livestock at the auction remains with the exhibitor until the transportation company moving the stock has it loaded aboard its truck. Thereafter, responsibility will rest with the transportation company for safe delivery.

WEIGHING: All sheep, swine, and goats shall be weighed upon arrival at the Fairgrounds for sale weight. All beef shall be weighed following judging for sale weight.

SALES FEE: A 5 percent sales fee will be deducted and will go to The Madera District Fair for sale cost and promotion. Any unused funds will be put into a Contingency Fund to cover losses due to uncollectible debts, animal loss reimbursement, and other costs directly related to the auction. In addition, brand inspection and meat promotion fees required by the State of California will be deducted from beef sales, \$.0045 assessment for the National Pork Producers Council will be collected from each hog sale, and an assessment for Lamb Promotion will be collected from lamb sales.

ANIMAL INJURY & ILLNESS:

Reimbursement: A market animal that dies at the Fair prior to sale is covered as a contingency loss. The owner will be paid an amount equal to the prevailing resale price. If the animal is judged to have been ill or injured at the time of entry it will not be covered. There will be no contingency for breeding stock injuries or illness. The Superintendent of Livestock will have the final decision on all contingency claims.

BUYER: Each buyer will be required to sign a sales slip showing the type of livestock, weight, and price per pound, total price, and the seller's name.

TERMS: Buyers shall pay the Madera District Fair for their purchases immediately after the sale.

RESPONSIBILITY: It shall be expressly understood that the Madera Kiwanis Club acts only as an agent for the consignors, and assumes no liability, legal or otherwise.

SUCCESS: The success of the sale largely depends on the number of bidders that will be on hand. Therefore, it is important that effort be put forth by you, the seller, in contacting potential buyers to participate in the sale.

GRADE: The following grades will be sold:

Market Steer	Group A-B
Market Lambs	Group A-B
Market Hogs	Group A-B
Market Goat	Group A-B
Market Pen Rabbits & Avian	Group 1-2

Madera County Bred and Fed Steer.

This market steer contest sponsored by the Madera County Cattlemen's Association recognizes the quality of locally bred steers grown by our agricultural youth for consumers. This educational event provides direct information to local breeders and feeders about market steer quality in a competitive environment. By combining information gained from live evaluation of market steers in this contest with carcass contest evaluation of the steers' yield, quality, and profitability, the local livestock community can produce animals that best meet the preferences of today's consumer.

To be eligible for the contest at the 2009 Madera District Fair in Madera, contestants must meet all of the following criteria:

- Contestant's primary residence must be in Madera County.
- Contestant must be enrolled in either a 4-H or FFA steer project.

- Contestant must be enrolled in the Madera District Fair Steer Carcass Contest.
- Contestant's steer must have been bred by a member of a local County Cattlemen's Association. (Madera, Merced, Mariposa, or Fresno/Kings County Cattlemen's Association)
